

**CLIENT ALERT**

**FEDERAL GRANTS FOR CHARTER SCHOOL INNOVATION**

Federal grant funds are now available to encourage successful charter schools to share their educational innovations with other schools. Charter schools seeking to extend their programs to other schools or to distribute information about their programs may apply for grants from the U.S. Department of Education's Charter Schools Program. Applications are due by **June 6, 2012**. For more information, please see the following link:
