**THE AMENDED MASSACHUSETTS
PAID FAMILY AND MEDICAL LEAVE ACT:
WHAT EMPLOYERS NEED TO KNOW**

As expected, the Legislature has voted to amend the Paid Family and Medical Leave Act to delay the implementation from July 1 to October 1. This change also affects other requirements of the Act, including when employers must provide notice to their employees and remit their contributions to the state. The Department of Family and Medical Leave describes these important changes [here](#).

We will continue to keep you apprised of further developments pertaining to the Act and its implementation.
