Vincent Pisegna Named As A “BTI Client All Star” For Delivering Superior Client Service

Boston (February 4, 2009) – Krokidas & Bluestein LLP, a Boston-based law firm, announced today that Attorney Vincent Pisegna was named a “BTI Client Service All-Star” by the Wellesley, Mass. based firm, BTI Consulting Group, Inc. According to BTI, the recognition went to a select group of 176 attorneys around the country “who deliver the absolute best client service to Fortune 1000 clients.” BTI conducted over 270 individual interviews with randomly selected general counsel at Fortune 1000 companies to ask which attorneys they rely on and, most importantly, the quality of service they receive. Pisegna was identified – by name, in an unprompted manner – as standing out for unsurpassed excellence in client service.

As partner at Krokidas & Bluestein, Pisegna has developed a diverse civil litigation practice in state and federal courts, as he is the firm’s senior trial attorney. Vincent has more than 25 years of experience representing clients in a wide range of business, commercial and real estate litigation. He is a 1976 summa cum laude, Phi Beta Kappa graduate of St. Lawrence University, a 1979 graduate of Northeastern University School of Law and was a law clerk to the Honorable Howard G. Munson of the United States District Court for the Northern District of New York. Among his many public service activities, Vincent incorporated and has served on the Board of Directors of The Kids Fund, Inc., a Massachusetts non-profit organization supporting pediatric patients at Boston Medical Center.

Pisegna resides in Lexington, Massachusetts.
