Krokidas & Bluestein was founded to provide services to nonprofits and government entities almost fifty years ago, and this remains a principal focus of the firm. We are a full-service firm for the clients we serve, assisting clients with formation, governance, tax-exemption and regulatory compliance, operational matters, affiliations and complex transactions, real estate acquisition and development, financing transactions, employment, and litigation. K&B attorneys work creatively within the regulatory frameworks in which clients operate, in order to allow clients to achieve their goals and fulfill their missions.
