ANNOUNCEMENT

KROKIDAS & BLUESTEIN WELCOMES

BETTINA TONER

Krokidas & Bluestein is proud to announce the addition of Attorney Elizabeth (Bettina) Toner to its Education and Employment practices. Bettina advises charter schools and other educational entities on organizational, policy, student services and employment matters. She also provides guidance to clients on employment law matters including wage and hour disputes, harassment, discrimination and retaliation.

“Bettina’s background in school law and civil litigation make her a valuable addition to our expanding education and employment practices,” said Elka Sachs, Krokidas & Bluestein Partner. “She is a diligent practitioner, attuned to the legal frameworks within which our clients operate, and their legal and practical needs.”

Before joining Krokidas & Bluestein, Bettina most recently practiced at Murphy, Lamere & Murphy, P.C. where she advised public school clients on education and litigation matters. Previously, she served for many years as a public interest litigation attorney representing individuals with disabilities and their families at the Center for Public Representation and the Disability Law Center.

Bettina is admitted to practice in Massachusetts, the United States District Court for the District of Massachusetts; and the United States Court of Appeals for the First Circuit. She holds degrees from Skidmore College and Suffolk University Law School.
