

Krokidas & Bluestein Attorneys attended ABCD dedication

On Friday, May 20, 2016 Krokidas & Bluestein's Sam Nagler and Vince Pisegna (photographed left to right) attended the dedication of the Thelma D. Burns Building by long-time client Action for Boston Community Development (ABCD). Vince and Sam represented ABCD in acquiring the building, as well an adjacent building now being used by ABCD as a multi-service center, out of a complicated bankruptcy proceeding in which multiple parties were interested in acquiring the property. Krokidas & Bluestein has been proud to represent ABCD, Boston's anti-poverty agency and a national model for the compassionate and effective provision of social services to low income individuals and families, for over 35 years.
